

POTENTIALISER – po-ten-ti-a-li-ser

Meaning: Releaser of amazingness in others

Your team has more potential than you realise and the chances are your current management style is preventing their potential from ever coming to the surface. Why? Because of an action that you probably carry out every day . . . telling them what to do!

In this book you will discover that by changing your approach to do less 'telling' and by asking Better Questions, you will become a POTENTIALISER, which means that you release the potential of your staff and create a team that is more engaged, empowered and fulfilled.
